2. Re-Breed Conditions

- 2.1 Re-breed conditions(e.g. live foal guarantee) apply to a Mare that does not achieve a pregnancy in the current breeding season or does not produce a live foal if all of the conditions listed below are met. A live foal is defined as a foal that stands and nurses 24 hours of birth. Any requests for rebreeds in the following breeding season require a written certificate from a licensed equine veterinarian attesting to the circumstances entitling the Mare Owner to a rebreed.
- 2.2 Mare Owner agrees to have the Mare examined for pregnancy and to notify Catori Creek Arabians of the results within ten days of the sixty- day check. Failure to have the Mare thus examined or failure to notify of the results shall automatically render the live foal guarantee and applicable rebreeding rights of the Mare Owner null and void.
- 2.3 Mare Owner must send a certificate from a licensed equine veterinarian to Catori Creek Arabians within thirty (30) days of the discovery of the Mare's pregnancy loss, stillbirth or newborn foal death. This certificate must include the following:
 - 2.3.1 That the Mare was properly vaccinated against rhino pneumonitis in months 5, 7 and 9 of the pregnancy.
 - 2.3.2 That in the licensed practitioner's opinion, the Mare was maintained in a reasonable state of health, including all vaccinations and deworming as deemed necessary.

IT IS THE MARE OWNER'S SOLE RESPONSIBILITY TO INSURE THAT SAID CERTIFICATE IS PROVIDED TO ELIZABETH CONTI/CATORI CREEK.

- 2.4 Rebreeding right shall be valid only for the subsequent breeding season. Substitution of a different Mare than the Mare named in the Agreement must be approved by Catori Creek Arabians.

3. General Conditions

- 3.1 In the event the Stallion or Mare becomes incapable of breeding or in the event that either the Stallion or the Mare dies the following shall apply:
